

Atle Skjekkeland
Vice President, AIIM

Goals of the DLM Forum

- To establish a strategic network to bring together individuals and organisations, from both the public and private sector involved in Document Lifecycle Management
- To provide a formal and sustainable entity to support the Forum members in fulfilling their roles and responsibilities
- To raise awareness in the field of Document Lifecycle Management
- To provide technology and knowledge transfer and information services, appropriate practice guidelines, benchmark indicators and information, educational, skills development and research opportunities.
